MEMORANDUM FOR THE RECORD:

SUBJECT: Concurrence in Amendment No. 11 to Contract No. HF-CT-693  
with GPL Division of General Precision, Project IDEALIST  
and Air Force

3 June 61

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HF-CT-693 is an open call type for replacement of spares, kits, etc., in support of Radan Navigation Systems previously procured for the Project and the Air Force. Amendment No. 11 has been drawn to incorporate a "Common" funding amount as the result of the merging of the Project IDEALIST and FOG Depots effective 1 January 1961.

3. As a result of the above, FY-1961 (No Year) Air Force funds should be decreased in the amount of \$2,500.00. FY-1961 funds under the contract are now shown as follows:

<u>Period</u>	<u>Customer</u>	<u>Amount</u>
1 July 1960 - 31 Dec. 1960	No. 1	-0-
	No. 2	-0-
1 Jan. 1961 - 30 June 1961	"Common"	\$5,000.00

Of the "Common" amount shown above, \$2,500.00 is FY-1961 IDEALIST funds and \$2,500.00 is FY-1961 (No Year) Air Force funds. Billings under the contract should be charged 50% IDEALIST/50% Air Force. By concurrence to this memorandum the Comptroller signifies that FY-1961 funding has been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
